MEMORANDUM FOR: Chief, Legislation Division, OLL

FROM: Robert W. Magee
Director of Personnel

SUBJECT: Draft Fiscal Year 1985 Intelligence
Authorization Bill

1. The Office of Personnel review of the subject draft bill has noted two areas on which to comment at this time. The first deals with Title III - CIARDS. Based on discussion with the Office of Finance, it is our understanding that the CIARDS appropriation figure has been reworked by the Comptroller because of changes in OMB guidance, and was increased from [REDACTED]

2. Although the amount is probably small, the cost of implementing "Accordance of Penalty for Mandatory Retirement to Age 62" has not been addressed. Some mention of the projected cost may be appropriate in either the bill itself or in the "Analysis and Explanation." We understand the Office of Finance is able to provide an estimate of this cost.

3. We are prepared to support any personnel-related proposals if these become separate initiatives.
